Peri & Sons Farms has an opening for an IT Technician

The Peri & Sons team is working with some of the most sophisticated, cutting-edge technologies available in the agricultural industry today and the possibilities and opportunities for growth are boundless.

Position Title: IT Technician

Position Summary:

- Perform daily job functions based upon established guidelines and instructions
- Install, test, monitor, upgrade, troubleshoot and repair computer systems, networks and peripherals
- Install, maintain and repair network components to ensure it's functioning at peak efficiency

Job Qualifications:

- Minimum of one year previous experience working with Microsoft operating systems
- A broad understanding of hardware, software, operating systems and basic computer networking
- Familiarity with electronic equipment, internet applications and security
- Good communication skills and a positive attitude
- Ability to work late and respond to late-night calls or emails in emergency situations
- Willingness to learn new areas of expertise required to perform duties

This position offered is salaried full time and offers medical, dental, vision, life and prescription drug coverage to eligible employees after completion of a 90-day introductory period. Company 401(k) is offered after completing eligibility requirements.

Prospective employees will not be discriminated against because of race, creed, color, sex, sexual orientation, national origin or handicap.

Drug testing is a requirement of the position. As a condition of employment each employee must comply with the company's Drug Free Workplace Policy

Peri & Sons Farms is an Equal Opportunity Employer.

Qualified applicants should submit their resume to us via email to Anna@periandsons.com online at <http://periandsons.com/family-careers.php> or apply in person at 102 N. McLeod Street, Yerington, NV 89447
